While we cannot promise to take pictures of your cat during his/her stay (as sometimes other matters take priority), if we do get an opportunity, do we have your permission to post those pictures to our social media?
(We promise to never post last names, only your kitty's first name.)

Yes, make my cat a star and I'll share it with all of my friends. No thanks. My cat doesn't like the paparazzi.

Periodically, we send out information about upcoming events, trainings and seminars via e-mail to our clients. May we add you to that list? (Not to be shared with any other organization.)
